

# ECHELON INSTITUTE OF TECHNOLOGY, FARIDABAD

Ref. No. EIT/FBD/ADMIN./2018/ 2436

26<sup>th</sup> March, 2018

## Notice

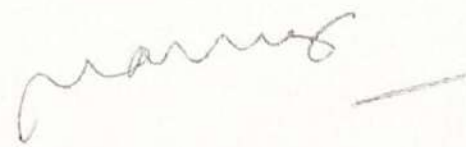

All the students, members of faculty and staff are, hereby informed that the Institute is organizing a Blood Donation Camp on Friday, the 30<sup>th</sup> March, 2018 at 10:00 a.m. in association with Lions Club Faridabad Maitree.

Blood donation is a great humanitarian and social work. A unit of blood donated by you may save somebody's life. Donation for such a noble cause gives one true happiness inner peace and satisfaction of having done a good turn in life. The donation of blood does the donor also a lot of good as the fresh blood which is recouped within 24 hrs. has more red cells and thus better resistance power, better immunity to diseases, better circulation and more of energy and strength.

I, therefore, appeal to all the students, faculty and staff to donate blood in great number and be a part of this noble endeavour. Lions Club, besides serving nutritious refreshment, will present every donor a beautiful motivational gift and a certificate/donor-card against which he/she can claim a unit of blood in any unfortunate event.

Any healthy person between the age group of 18 to 60 and with a minimum weight of 45 Kg. is eligible to donate blood.

Student can claim attendance for the day by showing the donor-card to their respective teachers. Blood donation will also earn a student good marks in General Proficiency Test at the end of this semester.
