VISION AND MISSION OF THE INSTITUTE

VISION

The institute is committed to fulfilling its vision of “technical and management leaders engaged in the evolution of life, being at the frontiers of the continuous technological and administrative breakthroughs, inspired by ongoing exploration of self, society, and nature through self-reflective consciousness by building a culture of inspiration, exploration, and growth.”

MISSION

M-1 Having a culture of inspiration, exploration, and invention through effective, experiential teaching-learning giving rise to ever-evolving knowledge and wisdom.

M-2 To have self-inspired students ever engaged in continually working upon and sharpening and deepening computational, creative, innovative, and leadership consciousness.

M-3 Having students established in self-reflective consciousness, committed to personal, social & human integrity, and engaged in deep inquiry and conversation, giving rise to shared, inter-subjective human values and consciousness.

“The best way to predict the future is to create it.”

VISION & MISSION STATEMENT OF THE DEPARTMENT OF MANAGEMENT STUDIES

Vision

To develop visionary leaders who drive sustainable business and societal progress, fostering a culture of inspiration, exploration, and growth to inspire transformative change for organizations and communities.

Mission

M-1 To foster innovation and experiential learning by equipping students with evolving knowledge of business management principles and practices.

M-2 To develop self-inspired leaders with strategic thinking, creativity, and ethical consciousness to address complex business challenges.

M-3 To instill reflective and collaborative values, enabling students to contribute meaningfully to organizational and societal integrity.

DEAN MESSAGE

At the School of Management Studies, we believe that education is not merely about acquiring knowledge but about shaping mindsets that can transform challenges into opportunities. Our goal is to nurture young leaders who carry the courage to dream, the wisdom to decide, and the resilience to deliver.

In today's dynamic world, management education must go beyond textbooks—it must encourage curiosity, innovation, and the spirit of entrepreneurship. At Echelon Institute of Technology, we take pride in providing our students with opportunities that blend academic rigor with practical exposure, preparing them to be adaptive professionals and responsible citizens.

The recent achievements of our BBA students in various national programs, internships, and certification courses reflect their commitment to growth and excellence. Each milestone accomplished by our students reaffirms our belief that with the right guidance and environment, they can create meaningful impact in society and industry. Let us continue to foster a culture of learning, collaboration, and innovation that empowers our students to lead with purpose.

Best Wishes

Dr. Sima Kumari
Dean, Department of Management Studies
Echelon Institute of Technology, Faridabad

HOD MESSAGE

"Our department is committed to delivering a world-class education in business management, nurturing the leaders and innovators of tomorrow. We provide students with a dynamic and engaging learning environment that blends theoretical knowledge with practical insights, preparing them for successful careers in a wide range of industries.

As the head of the Department, my vision is to create a culture of excellence, where students can thrive intellectually, socially, and professionally. We emphasize critical thinking, ethical decision-making, and leadership skills to help students grow into professionals who can lead with purpose and integrity.

I invite you to explore our diverse range of programs and the myriad of opportunities for academic and personal growth. Together, we will work to build a brighter future, full of possibilities."

Dr. Irfanullah Khan

HOD, DMS

The Management Mosaic

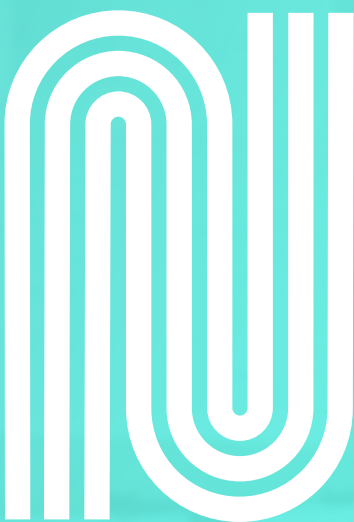

EVENTS & ACTIVITIES (TRAINING / FDPS / WORKSHOPS)

— ACADEMIC EVENTS —

Event Name	Description
National/International Conferences	Platforms for research presentation and paper publication.
Faculty Development Programs (FDPs)	Skill enhancement and pedagogy training for faculty.
Management Seminars/Webinars	Expert talks on finance, HR, marketing, entrepreneurship, analytics, etc.
Guest Lectures by Industry Experts	Real-world insights from CXOs, HR heads, analysts, and entrepreneurs.
Workshops & Certification Programs	Excel, Power BI, Digital Marketing, Tally, Business Analytics, etc.
Panel Discussions & Roundtables	Debates on current business challenges and policy issues.
Research Methodology Workshops	Training in data analysis tools (SPSS, R, Excel), thesis writing, survey design.

— CO-CURRICULAR EVENTS —

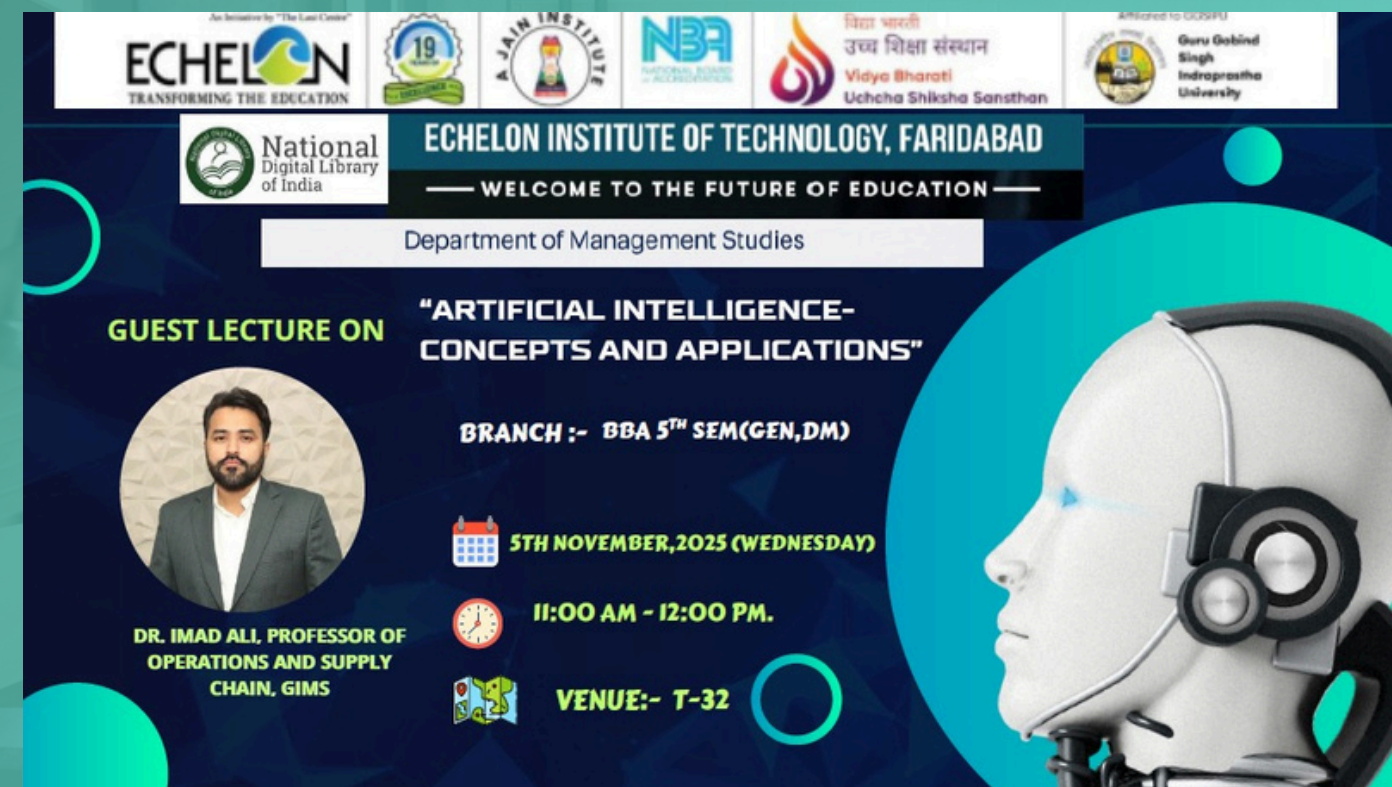

Event Name	Description
Business Plan Competitions (B-Plan)	Encouraging entrepreneurship & innovation.
Case Study Competitions	Analytical thinking & problem-solving using real business scenarios.
Role Plays & Management Games	Simulations in negotiation, decision-making, leadership, and operations.
Mock Stock & Financial Quizzes	Enhancing financial literacy through engaging formats.

The Activity Spectrum

An exclusive placement drive with JoulesToWatts Business Solutions Pvt. Ltd. for BBA and MBA students, offering opportunities in a dynamic, industry-driven environment. This initiative aims to connect students with high-impact career pathways and strengthen their professional growth.

The Department of Management Studies conducted an insightful guest lecture on “Artificial Intelligence – Concepts and Applications” for BBA 5th semester students. Dr. Imad Ali, Professor of Operations and Supply Chain at GIMS, explained the fundamentals of AI and its growing relevance across industries. The session enhanced students’ understanding of emerging technologies and their practical applications in modern business.

A seminar titled “Master Your Aptitude: Techniques for Competitive Edge” was conducted in collaboration with Career Launcher, offering students practical strategies to strengthen their aptitude and reasoning skills. Expert Management Professional Abhishek Pandey guided participants through effective problem-solving methods and competitive exam techniques. The session boosted students’ confidence and prepared them for future academic and career challenges.

The Department proudly recognizes the outstanding students who secured top positions through their exceptional academic performance. Each achiever has shown remarkable dedication, discipline, and commitment, setting an inspiring example for their peers. Their impressive SGPA scores reflect consistent hard work and a strong academic foundation. These students have demonstrated excellence across various programs, showcasing their ability to excel in diverse subjects and challenges. Their success motivates others to aim higher and strive for continuous improvement. The department congratulates all the rank holders and celebrates their well-deserved achievements. Their accomplishments bring pride to the institution and reinforce our culture of academic brilliance.

“Vista ” – giving a clear view of the department’s activities and milestones

The Department of Management Studies stands as a hub of innovation, excellence, and leadership development. Its unique strengths define its academic and professional distinction:

- **Entrepreneurial & Innovative Focus:**

Cultivating creativity, innovation, and business acumen to shape future entrepreneurs and leaders.

- **Application-Oriented Pedagogy:**

Promoting experiential learning through live projects, simulations, and real-world case studies.

- **Skill-Based Curriculum:**

Merging theory with practical exposure to strengthen critical thinking, communication, and leadership skills.

- **Research & Social Relevance:**

Encouraging research-driven learning that addresses social, economic, and environmental challenges.

- **Ethical & Global Perspective:**

Instilling human values, ethics, and global awareness for responsible decision-making.

- **Transformational Learning Environment:**

Fostering holistic growth through dynamic and student-centric initiatives.

- **Industry-Academia Linkage:**

Bridging academics with industry through expert sessions, workshops, and internships.

- **Global & Societal Impact:**

Aligning education with global standards to nurture professionals who contribute meaningfully to society.

Career Pathway Spotlight

LEADER OF THE MONTH: RATAN TATA

STRATEGY STUDIO: DECODING INDUSTRY COMPETITION

His leadership philosophy—“Take decisions from the heart and back them with logic”—serves as a guiding principle for aspiring managers, emphasizing ethical decision-making and strategic thinking.

PLACEMENT TIP OF THE MONTH:

- **Customize Your Resume:** Highlight relevant skills, achievements, and industry keywords for each role.
- **Polish Your LinkedIn Profile:** Showcase internships, projects, and leadership experiences; connect with industry professionals.
- **Prepare for Case Interviews:** Practice problem-solving frameworks, business cases, and data interpretation.
- **Develop Soft Skills:** Communication, teamwork, and presentation skills are crucial for managerial roles.
- **Stay Updated on Industry Trends:** Knowledge of current business news, market shifts, and emerging sectors helps in interviews.
- **Network Smartly:** Attend webinars, workshops, and alumni sessions to expand professional connections.
- **Show Leadership Potential:** Highlight situations where you led projects, initiatives, or teams during academics or internships.

Campus Highlights

Dandiya Event in College

*The Department of Management Studies organized a vibrant **Dandiya** in the college campus to celebrate cultural traditions and encourage student participation in extracurricular activities. The event was conducted with great enthusiasm and witnessed active participation from students and faculty members.*

The program began with a brief introduction highlighting the cultural significance of Dandiya, a traditional folk dance associated with festive celebrations. Students dressed in colourful traditional attire performed energetic Dandiya and Garba dances, creating a lively and joyful atmosphere throughout the venue.

Various group performances were organized where students showcased their coordination, rhythm, and creativity. The event not only promoted cultural awareness but also provided students an opportunity to interact, build teamwork, and enjoy a break from academic activities.

The judges appreciated the enthusiasm and efforts of the participants, and the best performers were awarded prizes and certificates. The event concluded with a vote of thanks to the organizers, faculty members, and students who contributed to making the program successful.

Overall, the Dandiya event was a memorable celebration that strengthened cultural values, unity, and student engagement within the college community.

Faculty Achievements

Three-Day Face-to-Face Faculty Development Programme on “Inculcating Universal Human Values in Technical Education”

A three-day Face-to-Face Faculty Development Programme (FDP) on “**Inculcating Universal Human Values in Technical Education**” was organized under the guidance of the All India Council for Technical Education (AICTE) from **4th to 6th December**. The programme aimed to sensitize educators about the importance of integrating human values, ethics, and moral principles into technical education to ensure the holistic development of students.

The FDP brought together faculty members from different departments who actively participated in interactive sessions, discussions, and reflective activities. The programme focused on understanding the concept of **Universal Human Values (UHV)** and their relevance in the academic and professional lives of teachers and students. Universal Human Values emphasize harmony within oneself, with family, society, and nature, enabling individuals to live a balanced and responsible life.

The sessions were conducted by experienced resource persons who explained the process of **self-exploration, ethical decision-making, and value-based education**. Participants were encouraged to reflect on their personal beliefs and teaching practices so that they could effectively incorporate these values into classroom teaching. Through case studies, group discussions, and experiential learning, the programme highlighted the importance of nurturing responsible, compassionate, and socially aware engineers and professionals.

During the FDP, various topics such as **human aspirations, harmony in the individual, harmony in the family and society, and harmony with nature** were discussed in detail. These sessions helped participants understand how value-based education can strengthen interpersonal relationships, promote ethical conduct, and contribute to a peaceful and sustainable society.

The programme concluded with a reflection session where participants shared their experiences and insights gained during the three days. The FDP proved to be an enriching learning

experience that motivated faculty members to adopt a more **value-oriented approach in technical education**. Such initiatives by AICTE play a significant role in shaping educators who not only impart technical knowledge but also guide students towards becoming responsible citizens and ethical professionals.

Overall, the three-day FDP successfully highlighted the importance of **integrating Universal Human Values into technical education**, thereby contributing to the development of a more humane, ethical, and sustainable educational environment.

Four faculty members from the department actively participated in the FDP:

- **Dr. Neha Mittal**
- **Dr. Irfanullah Khan**
- **Mr. Mohit Kapil**
- **Dr. Seema Kumari**

5. Guest Lecture

Report on Guest Lecture on “Artificial Intelligence: Concepts and Applications”

Date: 5th November 2025

Time: 11:00 AM -12:00 PM

Organized by: Department of Management Studies

Venue: Echelon Institute of Technology, Faridabad

Audience: BBA III Year Students

Number of Participants: 30 Students

The Department of Management Studies organized a guest lecture on “**Artificial Intelligence: Concepts and Applications**” by **Dr. Imad Ali**, Professor of Operations and Supply Chain at **GNIOT Institute of Management Studies (GIMS)**.

Dr. Imad Ali is a seasoned supply chain professional with over **13 years of experience** in academic and corporate sectors. His areas of expertise include **demand planning, procurement, warehouse management, and supply chain optimization**. He holds a **Ph.D. in Logistics, Materials, and Supply Chain Management** from **JJT University, Rajasthan**, and has earned certifications in **Supply Chain Management** from **IIM Rohtak** and **Chalmers University of Technology, Sweden**. He also specializes in **network design, advanced Excel, and supply chain analytics**.

The lecture focused on the **concepts and applications of Artificial Intelligence (AI)** in modern business and management systems.

Dr. Ali explained the fundamentals of AI, its development over time, and its transformative impact on industries. He discussed how AI technologies enhance **decision-making, process automation, predictive analytics, and operational efficiency** across business functions.

The session also introduced students to practical AI tools and platforms such as **Canva, Julius AI, Kaggle, and Merlin**, highlighting their roles in data analysis, design, and intelligent automation.

The session saw enthusiastic participation from **BBA III Year students**. Some students participated in discussions on the use of **Canva, Julius AI, Kaggle, and Merlin**, connecting theoretical AI concepts with their real-world applications in management and business decision-making.

Motivation for Students

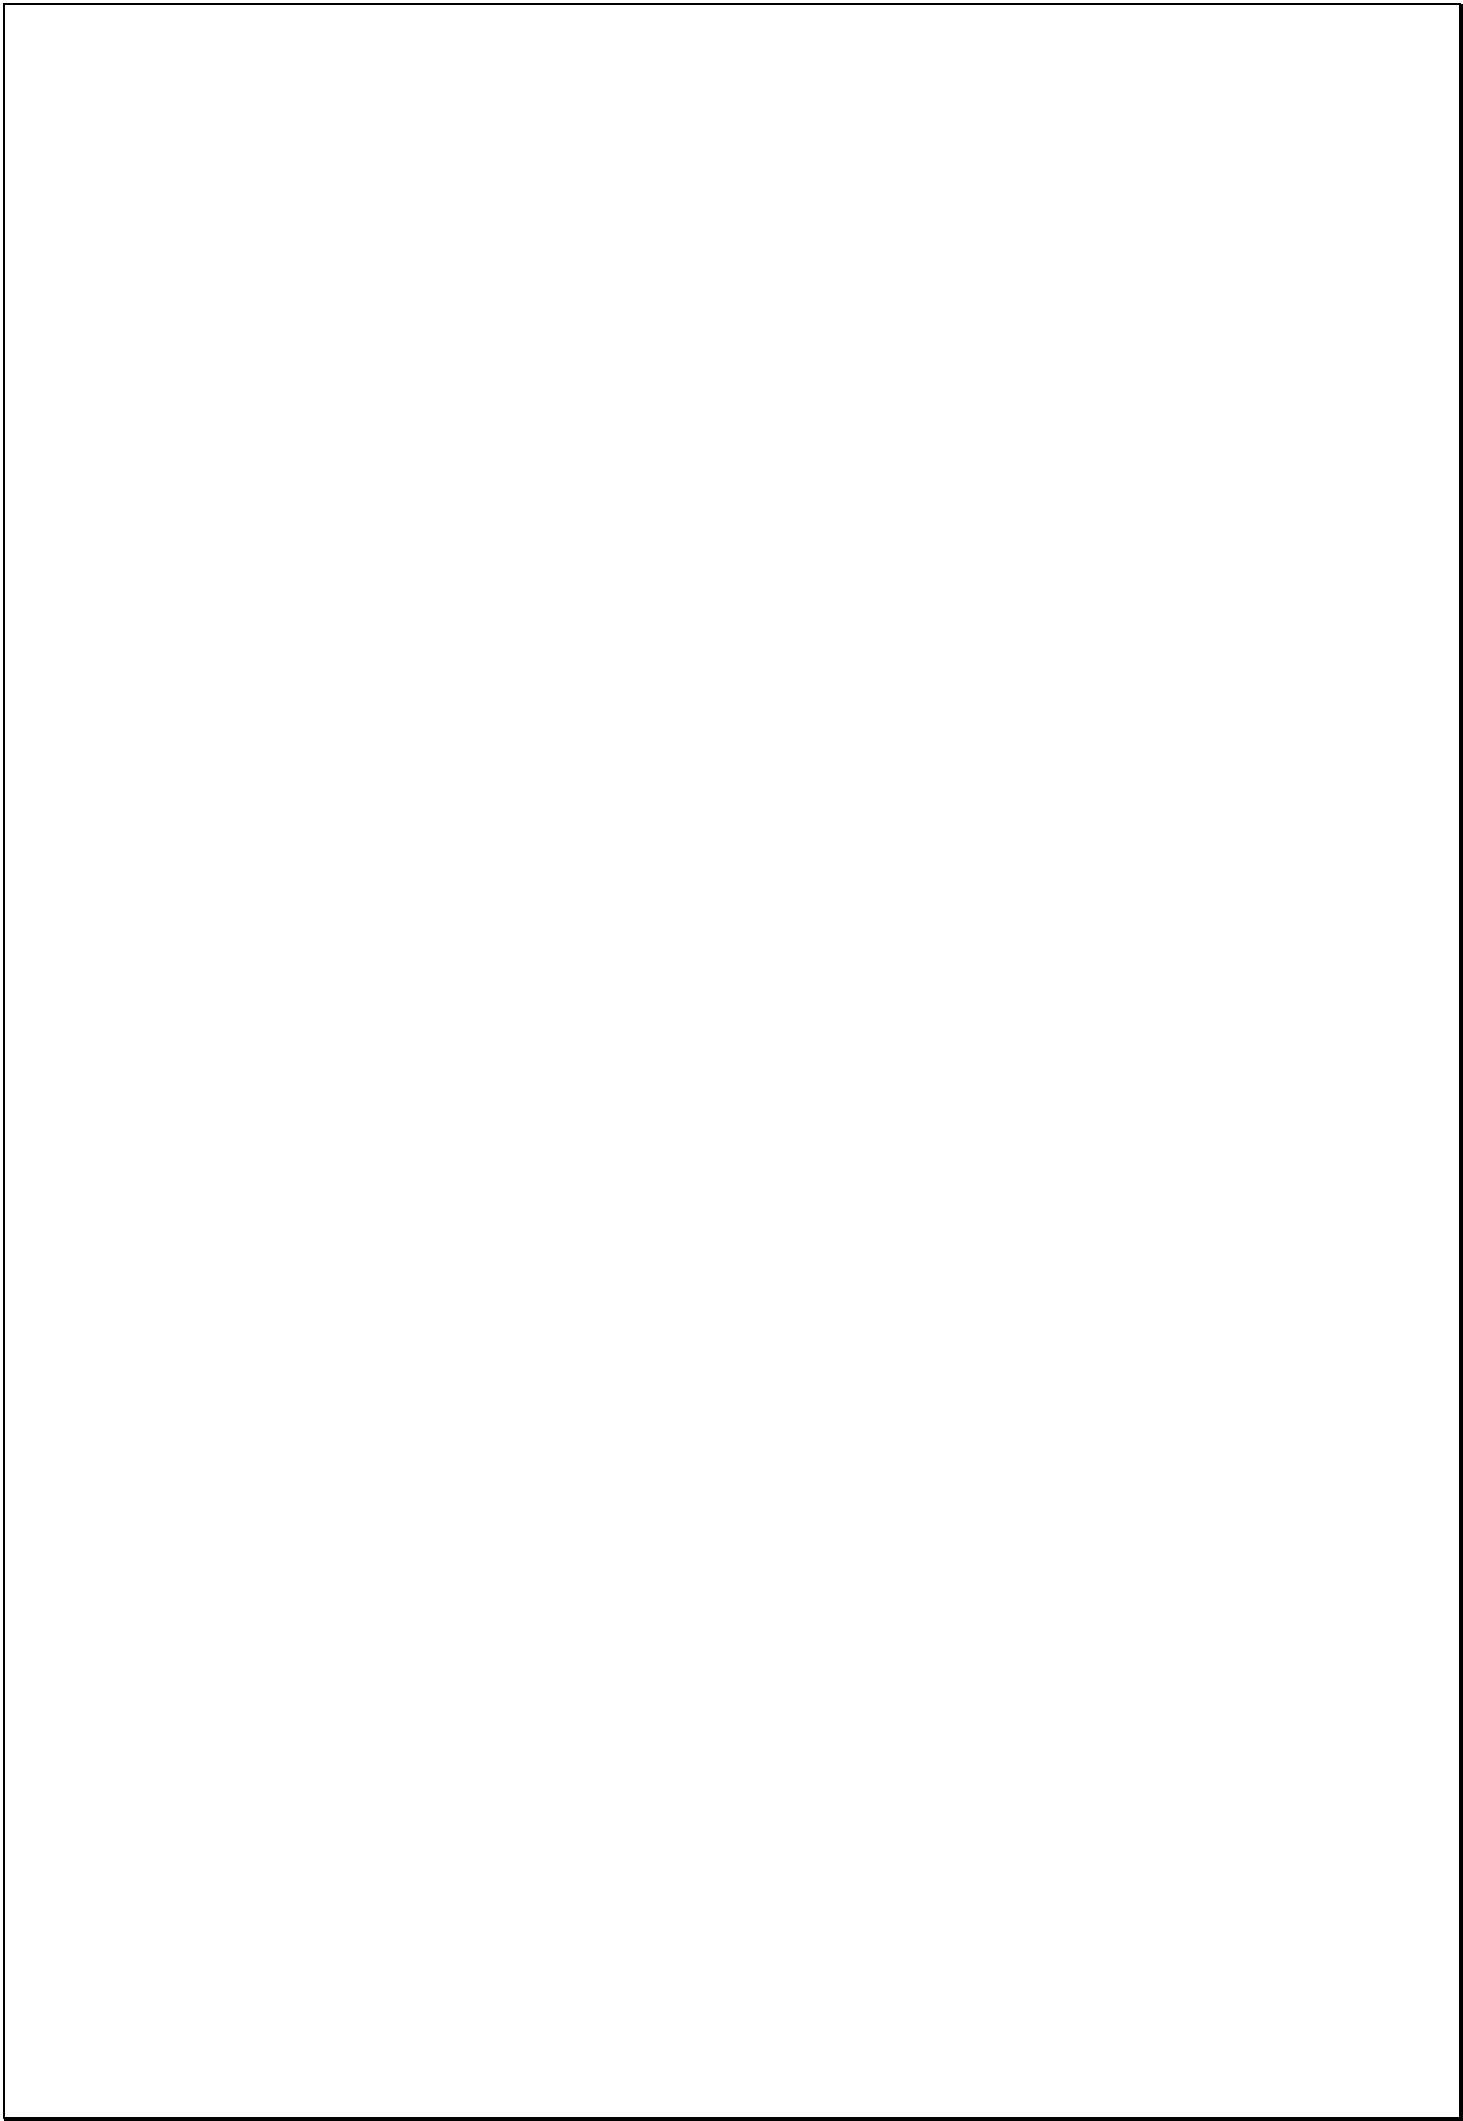

Dream with courage, rise and shine,
Let your efforts brightly shine.
Step by step, move ahead each day,
Hard work will surely show the way.

Challenges may come your way,
But never let your hopes decay.
With faith and strength, keep moving on,
Every night is followed by dawn.

Books will guide and teachers inspire,
Fill your heart with learning's fire.
Believe in yourself, be brave and true,
A bright future waits for you.

Message to Students.....

Stay focused, work hard, and believe in your potential. Every challenge is an opportunity to learn and grow. As **Swami Vivekananda** said, “*Arise, awake, and stop not until the goal is reached.*”

From the Dean of Management Studies Desk

In today's fast-paced corporate world, leadership demands agility, innovation, and strong ethics. Our department bridges the gap between academic theory and business reality. We empower future leaders to drive sustainable global growth.

We deliver impact through:

Industry-Driven Curriculum: Focused on digital transformation, AI, and business analytics.

Experiential Learning: Driven by corporate mentorship, live projects, and internships.

Holistic Growth: Building critical thinking, emotional intelligence, and teamwork.

Dr. Seema Kumari

Dr. Irfanullah Khan

Our focus is to build competent managers and strategic leaders. We combine rigorous academic theory with practical industry execution to ensure our students excel in the global business landscape.

We achieve this through:

Academic Rigor: Mastering advanced business and management principles.

Practical Synergy: Applying theory to corporate projects and case studies.

Executive Mentorship: Developing leadership acumen and decision-making skills.

We invite you to join our intellectual community and shape the future of global enterprise.

Head of Department

Campus Highlights

A Night of Magic: Mohit Chauhan Enchants Echelon Institute of Technology at Echiesta 2K26!

The campus of Echelon Institute of Technology, Faridabad was transformed into a sea of lights, music, and electrifying energy as it hosted its flagship techno-cultural festival, Echiesta 2K26, from March 27 to March 28, 2026. The absolute crown jewel of the mega-event was a breath taking live concert on the closing night of March 28, 2026, by legendary Bollywood playback singer Mohit Chauhan, who left over 6,000 attendees completely spellbound.

The Soundtrack of a Generation Comes Alive

Taking the stage as darkness fell on March 28, Mohit Chauhan instantly electrified the atmosphere. The massive crowd sang along to every single lyric as he delivered a mesmerizing set list, perfectly blending soulful melodies and high-octane rock anthems.

Anthems of Youth: The entire field erupted when the opening chords of "*Sadda Haq*" hit the speakers, unleashing pure rock energy across the campus.

Soulful Melodies: The crowd swayed to the magical rhythms of "*Kun Faya Kun*" and "*Tum Se Hi*", turning the venue into a starry sky of glowing phone flashlights.

Electrifying Vibes: Every beat unified the massive crowd of students coming from over 100 participating colleges across the Delhi-NCR region.

Events Conducted Under ECHIESTA 2K26

- Tech Walk

Technology-themed fashion and innovation showcase featuring AI, robotics, cybersecurity, space technology, and future-tech concepts.

- Project Showcase

Students presented projects in AI/ML, IoT, Robotics, Software Development, and Automation before expert judges.

- Circuit Designing Challenge

Technical competition focused on electronics and embedded systems design.

- Debugging Challenge

Coding competition involving error detection, code correction, and program execution rounds.

- Waste to Wonder

Innovation competition where students developed technical models using recycled and waste materials.

A Perfect Fusion of Tech and Culture

While the celebrity "Star Night" concluded the festival on an unforgettable note, Echiesta 2K26 was also an incredible success during the day. Starting on March 27, the festival featured 13+ curated competitive segments, bridging technical innovation with creative brilliance. Students aggressively competed in advanced cybersecurity challenges, coding hackathons, business management quizzes, and artistic showcases.

BASANT PANCHAMI CELEBRATION ORGANIZED WITH GREAT FERVOUR

Faridabad: The auspicious festival of Basant Panchami was celebrated with great devotion and enthusiasm in the institution premises. Faculty members, staff, and students gathered to offer prayers to Goddess Saraswati, the deity of wisdom, knowledge, and learning.

The celebration commenced with the traditional Saraswati Puja, where participants offered flowers, lit ceremonial lamps, and sought the blessings of the Goddess for academic excellence and intellectual growth. The puja area was beautifully decorated with flowers and sacred items, creating a serene and spiritual atmosphere.

On this occasion, faculty members emphasized the importance of education, wisdom, and ethical values in shaping the future of students. The gathering reflected the institution's

commitment to promoting Indian culture, traditions, and spiritual values alongside academic excellence.

The event witnessed active participation from faculty members and staff, who joined together in offering prayers and expressing gratitude for the blessings of knowledge and prosperity. The ceremony concluded with the distribution of Prasad and best wishes for success and happiness in the coming year.

The Basant Panchami celebration served as a meaningful occasion to honour the spirit of learning and to inspire students and educators to pursue knowledge with dedication and sincerity.

Faculty Achievement

Dr. Neha Mittal Successfully Completes AICTE-ATAL Faculty Development Program

Faridabad, February 2026: Dr. Neha Mittal, Faculty Member, Department of Management Studies, Echelon Institute of Technology, has successfully completed the prestigious **AICTE Training and Learning (ATAL) Academy Faculty Development Program (FDP)** on “**Sustainable Energy Technologies for Climate Mitigation**” conducted from **09 February 2026 to 14 February 2026** at Echelon Institute of Technology.

The six-day Faculty Development Program was organized under the aegis of the **All India Council for Technical Education (AICTE)** through its **ATAL Academy**, a national initiative aimed at enhancing the quality of technical education and promoting continuous professional development among faculty members across India.

The FDP focused on emerging trends and innovative practices in sustainable energy technologies, renewable energy solutions, climate change mitigation strategies, and environmental sustainability. Through expert lectures, interactive sessions, and knowledge-sharing activities, participants gained valuable insights into the role of sustainable technologies in addressing global environmental challenges.

Fascinating Business Facts: The Indian Context

India's business landscape is a unique blend of rapid tech growth, deep-rooted family conglomerates, and massive consumer scale. Here are some incredible facts tailored for BBA and MBA students looking to understand the Indian market.

The Scale of Indian Corporate Giants

The world's largest refinery: Reliance Industries operates the Jamnagar Refinery, processing over 1.2 million barrels of crude oil per day.

Tata's global footprint: The Tata Group owns iconic British brands like Jaguar Land Rover and Tetley Tea.

The post office bank: India Post operates the world's largest postal network, which also serves as a massive rural banking system.

Amul's unique structure: Amul is not a traditional corporation but a cooperative owned by 3.6 million milk producers.

Marketing & Consumer Behaviour Shifts

The sachet revolution: Cavin Kare revolutionized Indian FMCG marketing by selling shampoo in tiny 50-paise sachets to capture low-income rural consumers.

Data consumption boom: Thanks to Jio, India has the cheapest mobile data rates globally, completely shifting digital consumer behaviour.

Jugaad innovation: Indian businesses excel at frugality, such as MittiCool creating a functional refrigerator entirely out of clay that runs without electricity.

The wedding economy: The Indian wedding industry is highly recession-proof, valued at over \$130 billion annually.

Logistics & Economic Anomalies

Six Sigma drowas: Mumbai's Dabba walas deliver 200,000 lunchboxes daily with virtually zero mistakes, earning a Six Sigma certification from Forbes.

The cash-on-delivery lifeline: E-commerce giants like Flipkart cracked the Indian market by introducing Cash on Delivery (CoD) to build consumer trust.

The shadow economy: A massive portion of India's retail sector remains "unorganised," consisting of millions of local Kirana stores.

"Indian business isn't just about the numbers; it's about the hustle, the jugaad, and the vision. To conclude our analysis of the Indian market, here is an inspirational poem dedicated to the next generation of managers, disruptors, and CEOs."

The Boardroom Blueprint

*The campus gates will fade away,
The case studies will turn to real.
The theories that you learn today,
Will shape the market, forge the deal.
The ledger balance might not fit,
The strategy might hit a wall.
But leaders are defined by grit,
And how they rise after the fall.
From Kirana stores to tech frontiers,
The market waits for you to lead.
Look past the doubt, look past the fears,
You have the blueprints to succeed.
So pitch your vision, take the chance,
The world moves fast, the margins thin.
But with a sharp, strategic glance,
Your venture is about to win.*

Message to Students.....

Dream big, execute with precision, and commit completely to your purpose. True leaders do not wait for the perfect conditions; they build them through relentless action. As Dr. A.P.J. Abdul Kalam said, "Dream is not that which you see while sleeping; it is something that does not let you sleep."

VISION AND MISSION OF THE INSTITUTE

VISION The institute is committed to fulfilling its vision of “technical and management leaders engaged in the evolution of life, being at the frontiers of the continuous technological and administrative breakthroughs, inspired by ongoing exploration of self, society, and nature through self-reflective consciousness by building a culture of inspiration, exploration, and growth.”

MISSION

M-1 Having a culture of inspiration, exploration, and invention through effective, experiential teaching-learning giving rise to ever-evolving knowledge and wisdom.

M-2 To have self-inspired students ever engaged in continually working upon and sharpening and deepening computational, creative, innovative, and leadership consciousness.

M-3 Having students established in self-reflective consciousness, committed to personal, social & human integrity, and engaged in deep inquiry and conversation, giving rise to shared, inter-subjective human values and consciousness.

VISION STATEMENT OF THE DMS

To develop visionary leaders who drive sustainable business and societal progress, fostering a culture of inspiration, exploration, and growth to inspire transformative change for organizations and communities.

MISSION STATEMENTS OF DMS

M-1 To foster innovation and experiential learning by equipping students with evolving knowledge of business management principles and practices.

M-2 To develop self-inspired leaders with strategic thinking, creativity, and ethical consciousness to address complex business challenges.

M-3 To instill reflective and collaborative values, enabling students to contribute meaningfully to organizational and societal integrity.

Amazin Conducts Successful Placement Drive

EIT successfully hosted a major campus placement drive for the Class of 2026, welcoming the renowned brand Amazin to its campus. The event, held in association with the Institution's Innovation Council (IIC) and affiliated with GGSIPU, took place on the 22nd of April 2026. The drive was aimed at identifying and recruiting talented final-year students for the role of management trainee. The event was conducted in an offline mode, allowing students to engage directly with the recruitment team.

The campus witnessed enthusiastic participation from aspiring candidates who prepared extensively for the opportunity. The selection process provided students with a platform to demonstrate their managerial aptitude, communication skills, and professional readiness. The recruitment team from Amazin interacted with the students, evaluating their potential to contribute to the organisation's dynamic work environment. The Placement Cell at Echelon expressed satisfaction with the turnout and the quality of talent showcased. This drive marks another significant milestone in the institute's ongoing commitment to bridging the gap between academic learning and industry requirements.

A Transformative Session, A Memorable Experience!

The Mega Career Counselling Session held at EIT with Sh. Prabhat Agarwal, Hon'ble Chairman, was an inspiring journey of self-discovery, purpose, and leadership. An IIT-Delhi alumnus and spiritual leader, Sh. Agarwal shared his profound wisdom with students, guiding them to look beyond the ordinary and envision a future rooted in clarity and conviction.

Throughout the session, students gained valuable insights on understanding their strengths, potential, and possibilities, while also learning to develop self-inspired leadership qualities. They were encouraged to build clarity and commitment towards their future goals and to transform their dreams into actionable plans despite the challenges that lie ahead. The session went beyond conventional career guidance and inspired students to introspect deeply, think purposefully, and envision a future driven by passion, purpose, and meaningful impact. We extend our heartfelt gratitude to Sh. Prabhat Agarwal for sharing his wisdom and inspiring our students to become conscious leaders and changemakers. At Echelon, we believe that education is not only about academic excellence but also about empowering young minds with the right direction, values, and vision to succeed in life.

Echelon Institute Successfully Hosts Shiksha Mahotsav Education Fair 2026 in New Delhi

EIT successfully organized the Shiksha Mahotsav Education Fair 2026 on Sunday, 3rd May 2026. The landmark event was held at the prestigious Hotel Le Meridien, Janpath Road, Connaught Place, New Delhi, and welcomed students from across the region between 10:00 AM and 5:00 PM.

The education fair served as a comprehensive platform for aspiring students to explore multiple educational opportunities under one roof. Attendees benefited from free career counselling sessions tailored specifically for students, helping them navigate the crucial decision of choosing the right career path. The event successfully guided young minds in discovering courses that matched their passions and future aspirations.

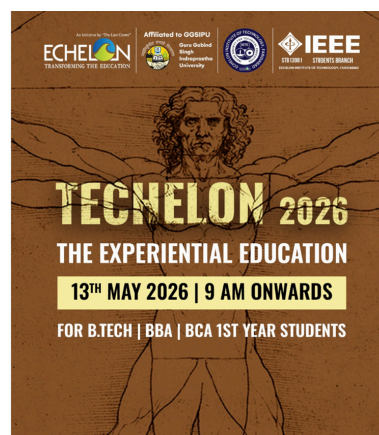

Beyond the valuable guidance, the fair offered an engaging and vibrant atmosphere where students participated in fun games and won exciting prizes instantly. The Shiksha Mahotsav

Education Fair 2026 was open to all students and provided a unique opportunity for them to connect, explore, and grow with Echelon. The institute expressed its heartfelt gratitude to all the students, parents, and educators who made the event a resounding success, reinforcing Echelon's commitment to empowering young minds with the right direction, values, and vision to succeed in life.

Echelon Institute Successfully Hosts TECHELON 2026: The Experiential Education

EIT in association with the IEEE Students Branch (STB 13981) and affiliated with Guru Gobind Singh Indraprastha University (GGSIPU), successfully organized TECHELON 2026, a landmark event dedicated to experiential education. The event was held on 13th May 2026, commencing at 9:00 AM onwards, and was exclusively designed for first-year students of B. Tech, BBA, and BCA programs.

TECHELON 2026 aimed to transcend traditional classroom learning by providing students with a dynamic

platform to explore, experiment, and engage with practical concepts. The initiative reflected Echelon's commitment to holistic education, encouraging young minds to step beyond theoretical boundaries and embrace hands-on learning experiences. The event witnessed enthusiastic participation from first-year students who immersed themselves in the activities designed to spark curiosity and innovation. The institute extends its heartfelt gratitude to the IEEE Students Branch and all faculty members, organizers, and student volunteers whose dedication made TECHELON 2026 a resounding success. By fostering an environment of experiential learning, Echelon continues to empower students with the skills, mindset, and vision needed to thrive in an ever-evolving world.

Echelon Institute Celebrates Excellence at 'Aarohan' Award Ceremony

Echelon Institute of Technology, affiliated with Guru Gobind Singh Indraprastha University (GGSIPU), successfully hosted its grand Award Ceremony, 'Aarohan', themed "*Nayi Unchaiyon Ki Ore*" (Towards New Horizons). The two-day celebration, held on 22nd and 23rd May, was a vibrant tribute to achievement, talent, and the relentless pursuit of excellence.

The event served as a platform to honor the outstanding accomplishments of students who have demonstrated exceptional dedication in academics, extracurricular activities, and overall personal growth. The ceremony was graced by distinguished guests, faculty members, and an enthusiastic audience of students and parents who gathered to celebrate the spirit of rising higher.

A highlight of the event was the cultural performances that captivated the audience, including a mesmerising classical dance performance that beautifully showcased the rich heritage and artistic talent of the student community. The atmosphere was filled with pride and inspiration as awardees were recognised for their hard work and commitment. 'Aarohan' truly embodied the institute's vision of empowering young minds

to reach new heights and become conscious leaders of tomorrow. The institute extends its heartfelt congratulations to all the awardees and gratitude to everyone who contributed to making the ceremony a memorable success.

Echelon Institute Observes International Yoga Day with Enthusiasm

Echelon Institute of Technology proudly observed International Yoga Day with great enthusiasm and active participation from its students, faculty, and staff. The event was organized to embrace the timeless practice of yoga and to highlight its profound impact on physical, mental, and emotional well-being.

Through guided yoga sessions and mindfulness activities, participants experienced the true essence of this year's theme, "Yoga for One Earth, One Health." The campus resonated with a sense of calm and unity as attendees practiced various asanas and breathing techniques designed to promote holistic health. The celebration served as a powerful reminder that a healthy mind and body are the foundation of a balanced and successful life.

The institute extends its heartfelt appreciation to all the participants and organizers who contributed to making the event a meaningful and rejuvenating experience. By integrating such practices into campus life, Echelon continues to foster an environment that prioritizes the overall wellness of its community.
