

## Industrial Visits

In order to give first hand industrial experience to engineering students, echelon organizes industrial visits where the students relate their academic theories with industrial practices and get practical knowledge. This paves the way for students to further expand their knowledge not only theoretically but also in terms of practical applications, so that they can join their future recruiters with the strong grasp of their domain knowledge. Some industrial visits are listed below:

## Recruiter's Review

**AAFREEN HANNAN**  
HR Business Partner  
Big Oh Nation Pvt. Ltd.

Over all it was a very good experience. The students are very strong technically. Thanks for inviting us. We take extreme pleasure in recruiting your students.

**RISHU SINGH**  
HR Manager  
Ex2 Solution Pvt. Ltd.

Echelon has some very good talent and welltrained students who are good in technical world, we have recruited some. The Infra of the college is very good.

**NEERU SHARMA**  
Asst. Manager (HR)  
Sagacious IP

Student of Echelon are very competitive and it is difficult to filter the candidates in our rigorous recruitment process. The best thing about the institute is that they make their students able to work in groups with other professionals.

**KARTIK KHARBANDA**  
Founding Member  
F13 Technologies

We've had a good experience with Echelon. Thanks for conducting smooth place drive.

## Student Testimonial

Echelon is an excellent place to learn where the learners are exposed to a fine blend of knowledge, skills and values to shape them in fine human beings besides equipping them with excellence in academics pertaining to their area of study. My stay at Echelon is remarkable, and I will cherish it for the rest of my life.

**ISHITA BHATT**

B.Tech CSE (Batch: 2019-23)

My institute has always given me the confidence to approach my dreams with planning and preparation. The extracurricular activities, internship opportunities, expert talk, industry-academia interface, and holistic education ensured that we have a degree and the skills to excel in the field we are going to.

**ANIKET KAUSHIK**

B.Tech CSE (Batch: 2020-24)

It was my great journey in Echelon Institute of Technology in my department of ECE. Our Placement Officer Mr. Sachin is a friendly person who addresses all the students from his busy schedule which helped us to know about the interview process prior to the actual drives by conducting placement training in Pre final year on soft skills and quant which helped us to crack the interview.

**PRINCE KUMAR SINGH**

B.Tech ECE (Batch: 2017-21)

I would like to express my sincere gratitude to Echelon for helping me at each and every step. The relationship between the students and faculty members is very cordial. My two years experience at Echelon has made me to enhance my knowledge and skills to a better extent. I believe that faculty here can definitely be ranked high.

**SANIA WADHWA**

BBA (Batch: 2019-22)

It is believed that a person's life is molded at the early 20s and it is very important to be at the right place. In that case, I am glad that I am at Echelon. Academic excellence along with the overall growth of the person is what the institution aims at.

**RIYA**

BCA (Batch: 2021-24)
