GUIDING LIGHTS

Reflections on the art of teaching is more than imparting knowledge, as education is the only path that will lead to endless possibilities. Education, at its core, is a journey of understanding and growth — where teachers guide and students navigate. Education, in its simplicity, contributes a part as the foundation of a progressive society. It's not just about textbooks or a lesson, it's about nurturing individuals who contribute meaningfully to the world and teachers play a pivotal role in this transformative process for new generations.

RESEARCH

At Echelon Institute of Technology, we foster a dynamic research culture that encourages both faculty and students to explore innovative solutions to real-world challenges. Our commitment to excellence in research is reflected in our state-of-the-art facilities, dedicated faculty mentors and a collaborative environment that nurtures creativity and curiosity. Extensive participation in book publication, National-International Conferences, Seminars, Workshops and Short-Term training programmes.

Faculties have published their research work in reputed SSCI/SCI/SCIE Scopus Indexed National/International Journals including IEEE, Elsevier, Wiley, Springer, etc.

STUDENT RESEARCH OPPORTUNITIES

We believe in empowering our students to become active contributors to the research community. Through our robust research programs and initiatives, students have the opportunity to participate in hands-on research projects under the guidance of experienced faculty mentors. These projects not only enhance their academic learning but also equip them with valuable research skills and practical experience.

At Echelon Institute of Technology, research is not just a pursuit of knowledge but a driving force of innovation and positive change.

HR CONCLAVE

The HR Conclave at Echelon Institute of Technology is a premier event focused on "Changes, Expectations & Challenges in Campus Hiring." Bringing together HR leaders, industry experts and academia, the conclave serves as a platform to discuss evolving hiring trends, skill expectations, and the challenges faced in talent acquisition. Through insightful discussions and networking opportunities, the event aims to bridge the gap between industry demands and academic preparedness, ensuring that students are well-equipped for the dynamic job market.

TRAININGS

Training programs bridge theory with practice through hands-on labs, real-world projects and industry-standard software. Students can enhance technical skills and practical experience sought by top companies. We nurture well-rounded graduates by fostering essential soft skills and an entrepreneurial mindset. Our dedicated placement team and strong alumni network ensure a smooth transition of these programs.

RECRUITERS' REVIEWS

I had the pleasure of interacting with Subhankar Ghosh during my recruitment process with Wheebox, and I must say that it was a positive and seamless experience. Overall, I would highly recommend Subhankar Ghosh as a recruiter & Wheebox as a company for anyone looking for growth-oriented opportunities.

Mr. Subhankar Ghosh
Product Manager

I recently had the opportunity to interact with AppSquadz Software Pvt. Ltd. for a recruitment process, and I must say, the experience was extremely positive. The HR Manager, Sweta, was very professional, approachable, and organized throughout the entire process.

Sweta exhibited great communication skills and made sure to keep me updated at every stage of the recruitment process. She was quick to answer any queries and was very transparent about the company's culture and the role on offer. Her promptness in scheduling interviews & providing feedback showed a high level of commitment & efficiency.

Ms. Sweta
HR Manager

I had the pleasure of working with Kunal Sharma from Tech Mahindra. As the Head of Digital Marketing, Kunal demonstrated a high level of professionalism and expertise throughout the recruitment process. His clear communication and timely follow-ups made the entire experience seamless. Kunal's approach is strategic and results-oriented, showcasing Tech Mahindra's commitment to innovation and growth in the digital marketing space.

Mr. Kunal Sharma
Head of Digital Marketing

I had the opportunity to interact with MS. Sweta Kasania, the Manager at BMW, and I must say it was a highly professional and seamless experience. Ms. Kasania displayed great communication skills, providing clear and concise information throughout the process. Her prompt responses and attention to detail made the interaction efficient and positive. BMW, under her management, is clearly dedicated to fostering a professional and organized recruitment process.

Ms. Sweta Kasania
Manager

I had the pleasure of working with Ms. Deepali Gaur, the HR Manager at Shavsi Global Services. Ms. Gaur is an exceptional professional with strong communication skills and a clear understanding of the recruitment process. She effectively manages the hiring process and maintains a positive, transparent relationship with candidates. Her prompt responses & proactive approach make her a valuable point of contact for anyone engaging with Shavsi Global Services. The company, under her leadership, demonstrates a commitment to both its employees & clients, ensuring a smooth & efficient recruitment experience.
