

Faculty Development Program on Salesforce in Collaboration with ICT Academy

Echelon Institute of Technology, in collaboration with ICT Academy, organized a Faculty Development Program (FDP) on Salesforce from 20th to 24th January 2025. The session was led by Mr. Satyendra Narayan, Relationship Manager, ICT Academy, and aimed at equipping faculty with industry-relevant skills in cloud computing and CRM using Salesforce.

The FDP covered key aspects of Salesforce fundamentals, customer relationship management (CRM) solutions, and hands-on training in cloud-based applications. Mr. Satyendra Narayan provided valuable insights into Salesforce's real-world applications, demonstrating its role in streamlining business processes and enhancing productivity. Faculty members engaged in interactive discussions and practical exercises to gain a deeper understanding of the platform.

Empower Your Future with AI & ML — FDP by E&ICT IIT Guwahati

Echelon Institute of Technology, in collaboration with E&ICT IIT Guwahati, successfully conducted a Faculty Development Program (FDP) on Artificial Intelligence & Machine Learning from February 17 to February 22, 2025.

This initiative, supported by the Ministry of Electronics & Information Technology (MeitY), Government of India, aimed to enhance participants' knowledge in AI & ML through 40 hours of theory, activities, case studies, and evaluations.

The program provided hands-on experience and deep insights into cutting-edge AI & ML technologies, empowering faculty and professionals to integrate these skills into research and academics.

The poster features logos of the Government of India, Central Board of Secondary Education, Electronics India, IIT Guwahati, Sharda University, IPEC, and Echelon Institute of Technology.
