INSIGHTFUL INTEL

QUARTERLY NEWSLETTER (JUL-SEP 2023)

Institute's Vision and Mission

Vision:

"Technical and Management leaders engaged in the evolution of life, being at the frontiers of the continuous technological and administrative breakthroughs, inspired by ongoing exploration of self, society, and nature through self-reflective consciousness by building a culture of inspiration, exploration and growth."

Mission:

- ❑ Having a culture of inspiration, exploration and invention through effective, experiential teaching-learning giving rise to ever evolving knowledge and wisdom.
- ❑ To have self-inspired students ever engaged in continually working upon and sharpening and deepening computational, creative, innovative and leadership consciousness.
- ❑ Having students established in self-reflective consciousness, committed to personal, social & human integrity and engaged in deep inquiry and conversation, giving rise to shared, inter-subjective human values and consciousness.

Department's Vision and Mission

Vision:

To develop entrepreneurial culture and to nurture the innovative mind and managerial skills enabling them to become relevant to society and mankind.

Mission:

- ❑ To induce contemporary and advanced management concepts and impart skill-based training through application-based pedagogy.
- ❑ To develop an environment exploration through academic excellence, research, and innovation for the benefit for society at large.
- ❑ To develop scholarly and practice-oriented intellectual capital to meet the needs of the emerging social economic environment.
- ❑ Students to become socially responsible individuals by inculcating a sense of human values and concern for the environment.
- ❑ Provide transformational learning to create ethical and socially responsible managers.

PROLOGUE:

MESSAGE FROM THE EDITOR:

It is with immense pleasure that I was given the opportunity to work on the edition of the college Newsletter. As we all know, a newsletter mirrors a college. Its vision and mission. It also highlights events, activities and academic prowess and achievements. In this edition, I have tried to capture last six months excitement and activities. I do hope that the newsletter encourages many more including students to use it as a platform to express their creativity.

The function of education is to teach one to think intensively and to think critically. Intelligence plus character-that is the goal of true education

Collaboration with ICT Academy

Echelon Institute of Technology is teaming up with ICT ACADEMY to bring you an extraordinary blend of knowledge, innovation, and cutting-edge technology.

Echelon Institute of Technology conducted a session on "Innovation/Prototype Validation: Converting Innovation into a Startup." It featured expert insights, validation techniques, case studies, hands-on workshops, and networking opportunities, fostering entrepreneurial spirit among participants.

Photography

Whispers of the wind, soft and light,
Echo through the silent night.
In the darkness, they gently sway,
Guiding dreams along their way.
Through the trees, they softly glide,
In the quiet, they confide.
Secrets of the world they bring,
As they dance and gently sing.
Listen closely, hear their call,
As they gently start to fall.
Whispers of the wind, serene and free,
A symphony of tranquility.

Inauguration of Centre of excellence (C.O.E) Lab

Inauguration of this transformative initiative, made possible by the generous support of Honeywell, a leader in CSR endeavors. The Center of Excellence aims to empower the youth, providing them with valuable skills, mentorship, and resources to shape a brighter future. Through this initiative, we envision creating a nurturing environment where young minds can thrive, explore their potential, and unlock their true talents. Together with Honeywell, we embark on this journey to make a positive impact on the lives of aspiring young individuals, empowering them to create a better world.

Raso Vaisa

The Raso Vaisa Club recently hosted a vibrant Cooking Without Fire event, showcasing innovative culinary creations without traditional cooking methods. From refreshing salads to inventive desserts, participants displayed their creativity and culinary skills. The event fostered a sense of community and exploration, highlighting the possibilities of sustainable cooking practices while celebrating gastronomic ingenuity.

ICETESTB-2023

International Conference

A joint conference „ICETESTB 23“ is being organized by Echelon Institute of Technology, Farida- bad, Haryana, India and ARSEAM Foundation, Breilly, India with the theme "Emerging Trends in Engineering, Science, Technology and Business" and a focus on G-20 Summit theme "Vasudhaiva Kutumbakam" or "One Earth, One Family, One Fu- ture". This event will provide a common platform to the Academicians, Research Scholars, Students, Industrialists, Professionals and Practitioners for the ex- change of ideas, practical experiences and insights into the evolution, formulation and implementation of technological advancement in Engineering, Science, Technology and Business to meet the changing environment. The objective of the conference is to provide a common platform for researchers from the Academia as well as the Industry to discuss and pre- sent their research work and also will try to provide an opportunity for collaboration among them.

Environment day

Echelon Institute of Technology Faridabad celebrated World Environment Day on 5th June 2023, which consisted of awareness workshop on Safeguarding Environment, pledge taking and Tree Plantation drive by faculty and Students.

Quotes

A GOOD TEACHER IS LIKE A CANDLE-WHO CONSUMES ITSELF TO LIGHT THE WAY FOR OTHERS

Everything you've ever wanted is sitting on the other side of fear."

Inspiration comes from within yourself. One has to be positive. When you're positive, good things happen.

DEEP ROY

न बैठ थककर राही, तुझे मंजिल को पाना है। बड़ा पथरीला हे ये सफर, राहों में फूल खिलाना है।

दूर तक अंधेरा है बहुत. दीप बनकर चलते जाना है। अगर है हौंसला चाँद छूने का, तो आसमान को भी ज़मीन पर लाना है।

तूफ़ानों से घबरा कर, साहिल पर नहीं रुक जाना है। बना कर कश्ती हिम्मत की, तुझे लहरों से टकराना है।

फूलों की हे चाह अगर तो, कोंटों को भी गले लगाना है। हे चाह अगर कुछ पाने की तो, कोंटो को भी फूलों जैसा बनाना है।
