Chess Competition

We are pleased to report that the Chess Competition held on April 3, 2024, was a fantastic success! Students of all skill levels came together to showcase their strategic prowess in an engaging and competitive atmosphere.

The event took place in the Club Room and brought together both seasoned players and newcomers, fostering a spirit of camaraderie and sportsmanship. Participants not only enjoyed the thrill of competition but also honed their critical thinking and concentration skills.

Thank you to everyone who joined us for this intellectually stimulating event. We look forward to more opportunities to engage in friendly competition in the future!

Tree Plantation

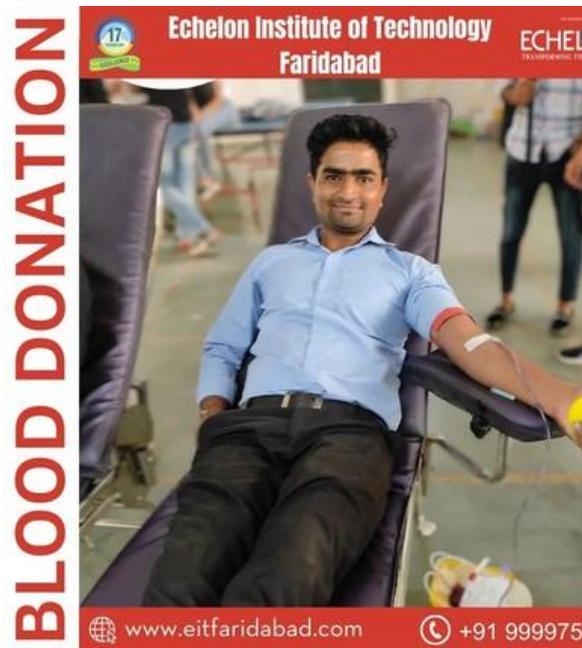

On April 3, 2024, our Tree Plantation Event, organized in collaboration with NSS, gathered students, faculty, and staff to enhance our campus environment. Participants actively engaged in planting trees, which plays a vital role in our commitment to sustainability and environmental stewardship.

We appreciate the enthusiasm and support shown by everyone involved in this initiative. Together, we are making strides toward a greener future for our community, demonstrating our dedication to preserving and improving our environment. Thank you for your participation!

Blood Donation Camp

On April 19, 2024, Echelon Institute of Technology hosted a Blood Donation Camp in collaboration with Triton Hospital. The event took place from 11:00 AM to 4:00 PM in the Club Area (Library Block) and aimed to support the important cause of saving lives through voluntary blood donation.

Thank you to all students, faculty, staff, and local community members who participated. Your contributions had a meaningful impact on those in need of blood transfusions. Donors also received free mini-health checkups and enjoyed complimentary refreshments. Together, we made a difference!

Faculty Training Session

Dr. Sunil Verma recently spearheaded a training initiative aimed at enhancing essential skills among faculty members in areas such as basic .xml, Microsoft Word, documentation, and filing procedures. He provided valuable resources for online certificate courses, encouraging faculty to complete the training and submit their certificates to their respective departments.

Additionally, offline training sessions were offered to support those interested in NBA filing procedures and further skill development. Faculty members were encouraged to ensure they possess the necessary knowledge in these areas. Many participated enthusiastically, and we appreciate all who provided their consent and suggestions regarding the initiative by May 1, 2024.

This training has proven to be a great opportunity for professional development, enhancing skills and improving work efficiency in documentation practices. Thank you for your commitment to continuous learning!

FDP on Innovation & Technology in Digital Pedagogy

We are pleased to share that Dr. Poonam Rani and Dr. Shital Prasad attended the Faculty Development Program (FDP) on Innovation & Technology in Digital Pedagogy at SS Jain Subodh Management Institute from May 20 to 24, 2024. This program focused on the latest trends in digital teaching and innovative strategies to enhance student engagement.

Participants explored various technological tools and their applications in effective digital learning environments. Dr. Poonam Rani and Dr. Shital Prasad actively engaged in discussions and workshops, gaining valuable insights into modern pedagogical practices.

Their involvement reflects our commitment to professional development and the integration of contemporary teaching methods. We look forward to applying the knowledge gained to enhance our educational offerings. Thank you to Dr. Poonam Rani and Dr. Shital Prasad for representing our institute!

Intra-College Carrom Competition

We are pleased to share that the Carrom Competition, held from June 22 to 24, 2024, at Echelon Institute of Technology, was an exciting and successful event. The competition featured a variety of categories, including Singles, Doubles, and Team Events, allowing students to showcase their skills in different formats.

The Team Event saw enthusiastic participation, with each team consisting of four players, including one reserve. Matches were decided based on the best of three singles, creating a dynamic and competitive atmosphere. Participants had finalized their teams before the competition, ensuring a well-organized event.

Additionally, we were proud to represent our institute at the state level, in association with the Haryana State Carrom Association. This provided a fantastic opportunity for our students to compete at a higher level and demonstrate their talents.

Thank you to all the participants and supporters who made this competition a memorable experience. We look forward to more thrilling events in the future!
