Swachhata Abhiyan

Echelon Institute of Technology successfully organized a Swachhata Abhiyan on 1st October 2025 to spread the message of “Clean Campus, Green Campus” and to strengthen the spirit of the Swachh Bharat Abhiyan.

The event witnessed enthusiastic participation from students, faculty members, and staff, who came together to clean and beautify various areas of the campus. The drive emphasized the importance of cleanliness, hygiene, and environmental care as essential responsibilities of every citizen. Through this initiative, the EIT community reaffirmed its commitment to creating a sustainable and eco-friendly campus environment. The event not only promoted awareness about cleanliness but also inspired everyone to take collective action towards a cleaner and greener future.

The Swachhata Abhiyan at EIT truly reflected the values of unity, responsibility, and environmental consciousness — proving that small steps can lead to a big change.

Intra-College Ideathon

The EIT organized an Intra-College Ideathon on 8th October 2025 under the CircuitCrate Initiative, in collaboration with the Institution's Innovation Council (IIC) and the IEEE Student Branch.

The event provided a platform for students to showcase their creativity, critical thinking, and problem-solving abilities by presenting innovative ideas and solutions to real-world challenges. Participants enthusiastically pitched their concepts, demonstrating their technical insight and entrepreneurial mindset. The Ideathon encouraged teamwork, innovation, and a spirit of healthy competition among students, while promoting EIT's vision of nurturing young innovators and fostering a culture of research and creativity.

Such initiatives continue to strengthen EIT's commitment to developing future-ready Technocrats who can drive meaningful change through innovation and collaboration.

Blood Donation Camp

Echelon Institute of Technology (EIT), Faridabad, organized a Blood Donation Camp on 6th November 2025 in collaboration with the Rotary Club of Faridabad East to promote social responsibility and humanitarian values among the campus community. The camp was conducted from 11:00 AM to 3:00 PM at the Students Activity Room, Library Block.

The event witnessed active participation from students, faculty, and staff, who voluntarily donated blood in support of this noble cause. Qualified medical professionals supervised the entire process, ensuring safe and hygienic blood collection in accordance with prescribed health and safety protocols. The initiative reflected the institution's commitment to community welfare and social outreach.

Promoting Mental Health & Wellness for Educators

Echelon Institute of Technology (EIT), Faridabad, hosted the Sahodhya School Complex – Faridabad Educational Chapter event titled **“Promoting Mental Health & Wellness for Educators”** on 23rd November 2025. The programme aimed to create awareness about mental health, stress management, and holistic well-being among educators.

The event was graced by Sh. Suresh Chander, President, Sahodhya School Complex, Faridabad, and Founder & Managing Director, Grand Columbus International School, along with Ms. Vijaya Luxmi, Managing Director, Vrinda International School.

The programme featured expert sessions by Ms. Simran Malik, Dr. Sabita Kumari, and Dr. Anupama Jain, who shared valuable insights on mental health management, stress reduction, and wellness practices.

The interactive sessions enabled participants to understand the importance of maintaining mental well-being and encouraged the adoption of holistic strategies for personal and professional growth. The event reflected EIT’s commitment to supporting educator wellness and fostering a healthy academic environment.

Workshop on Drone Technology

Echelon Institute of Technology (EIT), Faridabad, organized a Workshop on Drone Technology on 27th November 2025 for students of B.Tech, BCA, and MCA. The workshop was conducted from 10:30 AM to 12:00 PM at G-29 with the objective of providing hands-on knowledge and practical exposure to emerging trends in drone technology.

The session was led by Mr. Rahul Sharma, Director, Hawk Devices Pvt. Ltd., who delivered insightful demonstrations and discussions on drone design, applications, and industry requirements.

The interactive nature of the workshop enabled students to gain practical understanding of real-world drone applications, thereby enhancing their technical competencies and employability skills.

AICTE-approved 3-Day Face-to-Face Faculty Development Program (FDP) on Universal Human Values (UHV)

Echelon Institute of Technology (EIT), Faridabad, organized an AICTE-approved 3-Day Face-to-Face Faculty Development Program (FDP) on Universal Human Values (UHV) from 4th to 6th December 2025. The program aimed to strengthen educators' understanding and practice of universal human values, with a focus on holistic development, ethical competence, and value-based education.

Designed in accordance with AICTE guidelines, the FDP comprised interactive sessions, group discussions, and experiential learning activities to enable faculty members to effectively integrate human values into the teaching–learning process. The programme emphasized fostering harmony, professionalism, and social responsibility in both academic and personal life.

The FDP was coordinated by Prof. Anupama Jain and Prof. Sunil Verma, and reflected EIT's commitment to promoting value-oriented education and faculty development.
