## Udyamotsav-2025

On 16th January 2025, esteemed faculty members from Echelon Institute of Technology, Faridabad, along with the Institution's Innovation Council (IIC) team — Dr. Shital Prasad (Convener), Dr. Poonam Rani (Vice President), and Dr. Devdutt (President) — attended the live inauguration session of —Udyamotsav 2025. This MIC-driven event was held in celebration of National Startup Day and National Startup Week.

Organized by the Ministry of Education's Innovation Cell and AICTE, Government of India, the event featured prominent dignitaries, including Prof. T. G. Sitharam (Chairman, AICTE) and Dr. Abhay Jere (Vice Chairman, AICTE & Chief Innovation Officer, MoE).

The session focused on recognizing and promoting innovation, entrepreneurship, and startup culture across India. It served as a powerful reminder of the role institutions play in nurturing an entrepreneurial ecosystem. The Echelon team was proud to be part of this visionary initiative that aims to shape the future of startups and innovation in the country.

## NDLI User Awareness Programme

Echelon Institute of Technology, in collaboration with the National Digital Library of India (NDLI), organized a User Awareness Programme on 30th January 2025. The event aimed to familiarize students and faculty with the benefits and usage of NDLI resources.

Mr. Suman Panja, Sr. Outreach Manager at NDLI Club, IIT Kharagpur, served as the resource person. He provided valuable insights into the platform's offerings and how it can be effectively utilized for academic and research purposes.

The event was conducted by Dr. Irfanullah Khan, HOD of Management Studies & President of NDLI Club at Echelon. Dr. Sunil Verma, IQAC Head & NDLI Club Patron, delivered the vote of thanks, acknowledging the participants and the resource person for making the session impactful.

The session witnessed enthusiastic participation both in-person at the Seminar Hall and virtually via Google Meet.

## Saraswati Pooja Celebration

Echelon Institute of Technology celebrated Saraswati Pooja with great devotion and enthusiasm on the campus premises. The event began with the traditional rituals and chanting of mantras, invoking the blessings of Goddess Saraswati, the deity of knowledge, wisdom, music, and learning.

Faculty members, staff, and students came together to participate in the ceremony, offering prayers for academic excellence and personal growth. The serene atmosphere was filled with a spiritual aura as the idol of Maa Saraswati was adorned beautifully and worshipped with offerings of flowers, incense, and sweets.

The celebration served as a reminder of the importance of knowledge and education in shaping a better future. It also fostered a sense of unity and cultural appreciation within the institute.

May the blessings of Maa Saraswati inspire us to seek knowledge, creativity, and wisdom in all our endeavors!

## Web Technologies Workshop

Echelon Institute of Technology successfully organized a one-day hands-on workshop on Web Technologies for B.Tech (CSE) 1st-year students on 10th February 2025. The session aimed to provide practical insights into modern web development techniques and industry-relevant skills.

The workshop was conducted by Akshat Pathak (Junior Consultant, Softpro Group) and Sambhav Verma (Jr. Software Engineer), who shared their expertise on essential web technologies, guiding students through interactive learning sessions.

With the support of faculty coordinators Mr. Rajesh Madan and Mr. Sunil Kumar Jain, the event was a great success, equipping students with foundational knowledge and hands-on experience to enhance their technical skills in web development.

The banner features the Echelon Institute of Technology logo at the top left, with the tagline "TRANSFORMING THE EDUCATION" and a "19" anniversary badge. To the right are logos for the "INSTITUTION'S INNOVATION COUNCIL" and "SP?". The main text reads: "ECHELON INSTITUTE OF TECHNOLOGY is Organizing One-day Practical Oriented Hands on Workshop on Web Technologies B.Tech (CSE) 1st-Year Students". The date and time are "10th February 2025 10:00 AM to 4:00 PM" at the "Seminar Hall Admin Block". A circular portrait of Akshat Pathak is shown with his name and title: "AKSHAT PATHAK JUNIOR CONSULTANT (SOFTPRO GROUP)". Below it is Sambhav Verma's name and title: "Sambhav Verma Jr. Software Engineer". The Faculty Coordinator is listed as "Mr. Rajesh Madan" and "Mr. Sunil Kumar Jain".

## NSIC Industrial Visit

Echelon Institute of Technology organized a one-day Business Incubation Programme and NSIC Industrial Visit on February 19, 2025, for B.Tech, BBA, BCA, MBA, and MCA students. The visit took place at the NSIC Technical Services Center, Neemka, Faridabad, offering students valuable insights into industrial operations and entrepreneurship.

Guided by faculty coordinators Ms. Nishtha Aggarwal, Ms. Meenu Kumari, and Mr. Nitesh Pandey, and convened by Prof. (Dr.) Irfanullah Khan from the Entrepreneurship Cell, the program provided an excellent opportunity for students to explore industry practices and business incubation strategies.

Participants received certificates from NSIC (Ministry of MSME), marking a significant step in their entrepreneurial and professional journey. The visit successfully bridged the gap between academic learning and practical industry exposure, fostering innovation and business acumen among students.

## Industrial visit to DUCAT

Echelon Institute of Technology proudly organized an industrial visit to DUCAT – The IT Training School for the students of B.Tech. CSE 1st Year, Sections A & B on 7th March 2025.

This initiative aimed to bridge the gap between theoretical learning and real-time industry exposure. DUCAT, renowned for its industry-focused IT training, welcomed our budding engineers and introduced them to the practical aspects of software development, emerging technologies, and the current trends shaping the IT industry.

The visit was coordinated under the guidance of Dr. Kailash Narayan, Faculty Coordinator, and Harshit Sharma (CSE B), Student Coordinator. Their efforts ensured a smooth and enriching experience for all participants.

Such industrial visits not only enhance students' practical knowledge but also inspire them to explore innovative paths in their academic and professional journeys.

## Celebrating Excellence: Student of the Month – February 2025

We are delighted to announce that **Sneha Sheoran (24-CSE-216)** has been honored with the Student of the Month Award for February 2025.

Sneha has demonstrated exceptional academic performance, enthusiastic participation in extracurricular activities, and has upheld exemplary discipline and conduct throughout the month. Her consistent dedication, strong work ethic, and positive demeanor make her a true role model for her peers.

We encourage all students to take inspiration from Sneha's accomplishments and continue to strive for excellence in academics, extracurricular involvement, and overall character.
