Qualifications: Bachelor's Degree: BA
(Hons.) in English from Delhi University

- Master's Degree: English Literature from
Delhi University

Experience: 2+Years

Hobbies: Watching Football, Travelling

Welcome New Faculty**Ms. Anjali**

Qualifications: Pursuing a Ph.D. from
Kalinga University,

Bachelor's Degree: B.Sc. from Delhi
University

- M.Sc. in Maths from YMCA University

Experience: 3+ Years

Hobbies: Reading, Cooking, Listening Music

A good teacher is like a candle—it consumes itself to light
the way for others." –Mustafa Kemal Atatürk.

Anti-Ragging Campaign

In a resounding proclamation against ragging, Echelon Institute of Technology, Faridabad, orchestrated a week-long extravaganza, "Anti-Ragging Day Celebration," from August 12 to August 18, 2023. Vibrant hues adorned the campus as students unleashed their creativity in the Rangoli competition, echoing themes of unity and friendship. The campus was awash with compelling visuals as students conveyed powerful anti-ragging messages in the Poster Making competition. Intellectual prowess shone in the Essay Writing competition, where students articulated the need for a ragging-free campus. Catchy slogans reverberated throughout the institute, exemplifying students' dedication to a respectful environment. The winning emblem from the Logo Design competition now stands as a beacon of our anti-ragging endeavors. Culminating the week, a stirring Nukkad Natak stirred emotions, spreading awareness and fostering solidarity. Together, we pledge to uphold a campus culture founded on respect and inclusivity.

Orientation Day Celebration

Echelon Institute of Technology welcomed fresh faces with open arms on September 9, 2023, for a memorable Orientation Day Celebration. Vibrant energy filled the air as new students embarked on their academic journey. From insightful speeches by faculty members to interactive sessions introducing campus resources, the day was brimming with excitement and anticipation. Students forged connections and discovered the wealth of opportunities awaiting them. As the sun set on this momentous day, it marked the beginning of a transformative chapter for our newest members. Here's to a year of growth, learning, and endless possibilities at Echelon Institute of Technology.

Dental Health Check-up

Echelon Institute of Technology extended its commitment to student welfare by hosting a Free Dental Health Check-up on September 20, 2023. Dedicated to promoting oral hygiene, the event welcomed students to prioritize their dental well-being. With expert dentists on hand, attendees received personalized advice and assessments, ensuring their smiles remain radiant. Students embraced the opportunity to prioritize their health, with the institute's support fostering a culture of holistic well-being. As we continue to prioritize student welfare, initiatives like these reaffirm our dedication to nurturing healthy habits and vibrant smiles across our campus community.

Cyber-Security Workshop

Echelon Institute of Technology fortified its commitment to digital safety with a dynamic Cyber Security workshop on September 21, 2023. Tailored for Computer Science Engineering (CSE) and Bachelor of Computer Applications (BCA) students, the session delved into crucial aspects of safeguarding digital assets. Experts illuminated students on the latest threats and preventive measures, empowering them to navigate the digital landscape securely. Hands-on exercises and real-world case studies enriched the learning experience, equipping participants with practical skills to combat cyber threats. EIT remains steadfast in its mission to nurture vigilant technocrats prepared to safeguard the digital realm.
