Tree Plantation Drive

On 1st July 2025, Echelon Institute of Technology, in collaboration with the Rotary Club, organized a Tree Plantation Drive on campus to promote environmental sustainability and spread awareness about the importance of greenery in our lives.

The event witnessed enthusiastic participation from students, faculty, and members of the Rotary Club, who together planted a variety of saplings across the campus. The initiative aimed at fostering a sense of responsibility among young minds towards conserving nature and ensuring a cleaner, greener tomorrow.

Speaking on the occasion, the Rotary Club representatives highlighted the urgent need to combat climate change through small but impactful steps such as planting trees. The institute management also encouraged students to take this drive forward by nurturing the saplings and contributing to the ecological balance.

This collaborative effort not only beautified the campus but also reinforced the message that “planting a tree is planting hope for the future.”

Echelon Faculty as Judges at STEAM-13 Science Exhibition

Echelon Institute of Technology proudly shared its presence at the STEAM-13 Science Exhibition, organized by Modern School, Sector 17, Faridabad, on Saturday, 12th July 2025.

Our esteemed faculty members, Dr. Shital Prasad (Professor) and Ms. Arti Kadam (Assistant Professor) from the Department of Applied Science and Humanities, were invited as Chief Guests and Judges for the event.

They evaluated a wide range of innovative projects and models created by school students, covering areas of science, technology, engineering, arts, and mathematics. Both dignitaries appreciated the creativity, critical thinking, and practical application of concepts displayed by the young innovators.

Faculty Development Program on Fundamentals of Indian Knowledge System (IKS)

Echelon Institute of Technology, Faridabad, hosted a Five-Day Faculty Development Program (FDP) on *Fundamentals of Indian Knowledge System (IKS)* from 21st to 25th July 2025. The FDP was conducted through live streaming at the NITTTR Remote Center of Echelon Institute.

The program aimed to introduce faculty members to the rich intellectual traditions of India and their relevance in today's academic and research environment. Sessions covered the foundational aspects of IKS, integrating traditional knowledge with modern educational practices, and exploring its applications across disciplines.

Coordinated by Dr. Shital Prasad and Dr. Poonam Rani, the FDP witnessed active participation from faculty, who engaged in interactive discussions and knowledge-sharing sessions. The initiative reflected Echelon's commitment to blending contemporary education with India's profound heritage, thereby fostering holistic learning and innovative teaching methodologies.

Visit of Dr. R.D. Sharma

Echelon Institute of Technology was delighted to welcome Dr. R.D. Sharma on 31st August 2025.

A distinguished academician and author of renowned mathematics textbooks, Dr. Sharma inspired students and faculty through his insightful interaction and motivational address. His visit emphasized the value of conceptual learning, perseverance, and innovation in education.

The institute expressed its heartfelt gratitude to Dr. Sharma for sharing his wisdom and motivating the young minds of Echelon to pursue excellence in their academic journey.

College Ke TASHANBAAZ

On September 1, 2025, Echelon Institute of Technology, in collaboration with Red FM 93.5 – Bijaate Raho, hosted the much-awaited College Ke Tashanbaaz, a grand celebration of talent, creativity, and youthful enthusiasm. The event brought together students from various departments who showcased their unique flair and confidence, making it a memorable day on campus.

The highlight of the event was the presence of RJ Tushar Nalwa, popularly known as RJ Nalwa, who graced the occasion as the Chief Guest. His wit, energy, and engaging interaction with students created a lively and unforgettable atmosphere. The collaboration with Red FM 93.5, India's leading youth radio channel, added a dynamic edge, amplifying the excitement among the students.

From captivating performances to moments of laughter and cheer, College Ke Tashanbaaz truly reflected the vibrant spirit of Echelon. The event concluded with appreciation for RJ Nalwa, the talented participants, and the organizing team for their efforts in creating a celebration where passion met opportunity and Echelonites once again proved that talent shines brightest on their campus.

Faculty Development Program: Effective Teaching and Learning through Active Pedagogies and Learning Taxonomies

From 8th to 12th September 2025, EIT, hosted a Faculty Development Program (FDP) organized by the Internal Quality Assurance Cell (IQAC) in association with NITTTR Bhopal. The program aimed to strengthen the academic ecosystem by equipping faculty members with innovative teaching methodologies and advanced pedagogical practices.

The sessions focused on introducing active pedagogies and the application of learning taxonomies to foster improved learning outcomes. Faculty members explored interactive, student-centric approaches and effective classroom strategies designed to make learning more engaging and outcome-driven. Experts from NITTTR Bhopal shared valuable insights and real-world applications, enriching the overall learning experience.

The FDP reaffirmed EIT's commitment to academic excellence and continuous improvement, emphasizing the institute's vision of empowering educators to lead with innovation and purpose. The five-day program concluded with participants expressing enthusiasm to integrate these new techniques into their teaching practices, making the FDP a truly impactful and successful initiative.

Dandiya Utsav 2025

On 24th September 2025, the vibrant beats of Dandiya filled the air at Echelon Square, as students, faculty, and staff of Echelon Institute of Technology, came together to celebrate the festive spirit of Navratri with great enthusiasm and joy.

The evening was a spectacular showcase of rhythm, colours, and cultural unity. From dazzling traditional attire to energetic dance performances, every moment reflected the rich heritage and festive deal of the occasion.

Beyond the music and dance, the event created an atmosphere of togetherness, strengthening bonds within the Echelon family. Smiles, laughter, and the spirit of celebration made the evening a truly memorable experience.

The institute extends heartfelt appreciation to all participants and organizers who contributed to making Dandiya Utsav 2025 a grand success. The celebration was not only a tribute to tradition but also a reminder of the strong sense of community and culture that defines EIT.
