## FROM THE DESK OF THE DIRECTOR

### **Prof. (Dr.) Sunil Verma**

Qualifications : Ph.D in Chemistry  
Areas of Interest: Organochalcogen  
Chemistry  
M.Sc : Chemistry  
Experience: 20+ years

I am pleased to learn that the latest edition of our newsletter, which provides a glimpse of the exciting activities and initiatives that have taken place over the past few months is getting released.

I would like to extend my appreciation to the editorial team for their hard work and dedication in putting together this informative and engaging newsletter. Their commitment to ensuring that our stakeholders are informed about the latest developments at our institute is truly commendable.

The newsletter highlights the achievements of our faculty members, students, and staff, and showcases our commitment to excellence in teaching, research, and community engagement. It also features updates on our collaborations and partnerships with industry and other academic institutions, which are essential to our mission of advancing knowledge and driving innovation.

As we continue to navigate through the challenges of the current times, it is heartening to see the resilience and creativity of our institute community. I am confident that together, we will overcome these challenges and emerge stronger.

I hope you enjoy reading the newsletter and look forward to your continued support and engagement.

Best regards,

Prof. (Dr.) S. Verma  
Director (FY)

## Welcome New Faculty

### **Dr. VANDANA AGRAWAL**

Qualifications : Ph.D in Physics

Areas of Interest: Analysis of PressureVolume Relationships For Solids Under Strong Compressions

Master of Philosophy (M.Phil.- Physics)

Bachelor of Science (B.Sc.- PCM)

Bachelor of Education (B.Ed.- Science, Math)

Experience: 22+ years

Hobbies: Reading, Cooking, Listening Music

"Everyone who remembers his own education remembers teachers, not methods and techniques. The teacher is the heart of the educational system." –Sidney Hook

## Echiesta 2022

On a cold December evening, the students of our College celebrated the annual Fest party in style, with famous Punjabi singer Maninder Butter as the chief guest. The event was a celebration of music, dance, and culture, and the students welcomed the singer with great enthusiasm.

The cultural program that followed showcased the talents of the students, with solo and group performances, including singing, dancing, and poetry recitation. The audience was mesmerized by the performances, and Maninder Butter was particularly impressed by the talent on display.

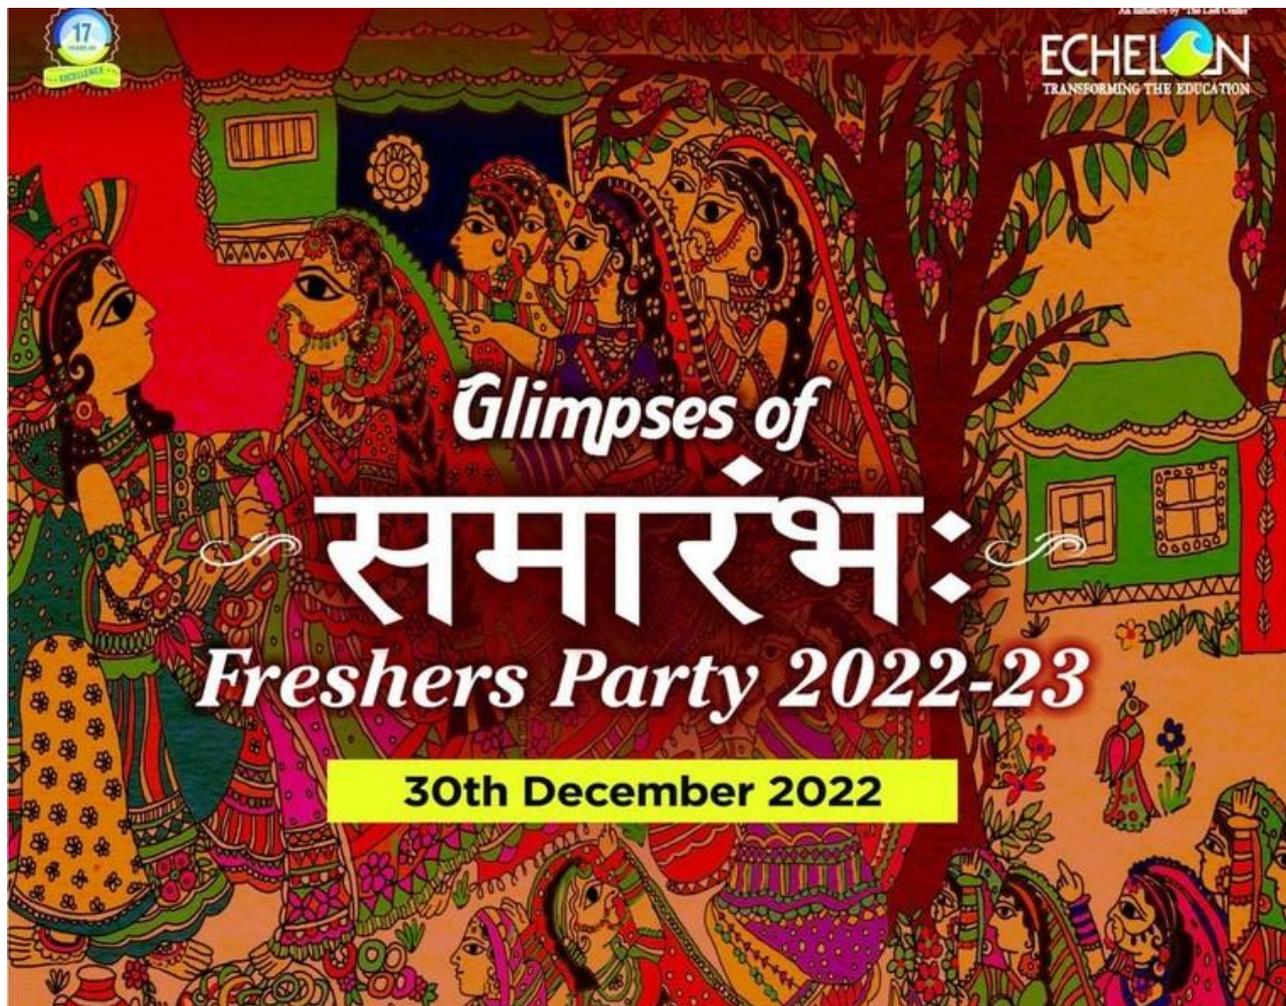

The highlight of the party was the performance by Maninder Butter himself, who sang some of his popular tracks and had the students dancing and singing along with him. His electrifying performance set the tone for the rest of the party, and the students were in high spirits throughout the evening.

## समारंभ - Fresher's Party 2022-23

In a festive mood, students of Echelon Institute of Technology, celebrated the annual Freshers Party on December 30th, 2022. The event was a celebration of new beginnings, as first-year students were welcomed into the college community. The highlight of the party was the crowning of the Mr. and Ms. Fresher, where the students showcased their confidence, wit, and talent.

The party also had an array of delicious food and beverages, which were enjoyed by the students. The DJ played the latest tracks, and the students danced to their hearts' content, making the most of the occasion.

Overall, the Freshers Party was a grand success, and the students left with a sense of belonging and camaraderie. It was a perfect way to end the year and welcome the new batch of students to the college.
