Brainstorm 2024

The Echelon Institute of Technology successfully hosted Brainstorm 2024, a Scholarship cum Entrance Exam, on Saturday, 19th October 2024. The event saw the participation of numerous bright young minds, competing for top scholarships and prizes.

Students had the opportunity to showcase their academic excellence, with the top performers receiving scholarships of up to 100%. The top three ranks were rewarded with cash prizes of ₹31,000, ₹15,000, and ₹8,000, respectively. Additionally, the top 50 students received assured gifts, and the top 25 female students were granted free transportation for their first year.

All participants were honored with certificates, and many secured exciting benefits such as tuition fee waivers and verified freebies. The event was a testament to the institute's commitment to encouraging and nurturing young talent, empowering them with opportunities for a brighter future.

Science Exhibition 2024

The Science Exhibition 2024, organized by the Echelon Institute of Technology, was a grand success, bringing together young innovators and future engineers on 19th October 2024. The event provided a dynamic platform for 10+2 pursuing students to showcase their scientific acumen and creativity.

Participants competed for prestigious cash prizes, with the winner receiving ₹31,000, the second-place finalist earning ₹21,000, and the third-place winner taking home ₹11,000. The exhibition witnessed an impressive display of projects, each reflecting the students' ingenuity and problem-solving abilities.

From cutting-edge technological innovations to sustainable solutions, the event highlighted the potential of young minds in shaping the future.

Parent's Institute Conclave

Echelon Institute of Technology proudly organized the Parent's Institute Conclave from 14th to 19th October 2024, dedicated to fostering a transformative three-way partnership between the Institute, Parents, and Students.

Aimed specifically at the 1st semester students of B.Tech, BBA, BCA, MBA, and MCA programs, this week-long initiative focused on building mutual trust, engagement, and collaboration among all stakeholders in the academic journey. Through open dialogue and active participation, the conclave emphasized the shared role of educators and parents in shaping the holistic development of students.

This initiative marks another step by the institution in aligning education with values, communication, and community-building.

National Innovation Day

On 15th October 2024, the Echelon Institute of Technology, Faridabad observed National Innovation Day to commemorate the birth anniversary of Dr. A.P.J. Abdul Kalam, a revered scientist and former President of India. The celebration was a heartfelt tribute to his vision of nurturing innovation and inspiring young minds.

The event featured a series of engaging and thought-provoking activities aimed at encouraging creativity and critical thinking among students. These included “Innovations for the Future,” where students presented forward-thinking concepts; an “Innovative Business Idea Presentation,” which provided a platform for budding entrepreneurs to pitch their ideas; and an “Innovative Project Expo,” showcasing impactful student-led projects.

Held from 2:00 PM to 4:00 PM in Room G-29, the program was skillfully coordinated by Dr. Poonam Rani (Convener), along with Dr. Pramod Singh (Vice President - IIC) and Dr. Devdutt (President - IIC). The event successfully fostered a spirit of innovation, aligning with the institute’s ongoing commitment to cultivating a culture of inquiry, experimentation, and technological advancement.

Blood Donation Camp

Echelon Institute of Technology, in collaboration with V Care Hospital, organized a successful blood donation camp on 16th Oct 2024 at campus. The event saw enthusiastic participation from students, faculty, and staff, highlighting the institute's commitment to social responsibility.

The medical team from V Care Hospital ensured a safe and efficient donation process, adhering to proper protocols for the health and safety of all donors. Volunteers assisted throughout the event, helping to spread awareness about the importance of blood donation.

The camp resulted in a significant collection of blood units, contributing to life-saving treatments for patients in need. We extend our heartfelt thanks to V Care Hospital and all the donors for their generous support in making this initiative a success.

Students' Achievement

We are proud to announce that two talented teams from Echelon Institute of Technology participated in the prestigious Presentation Competition at Manav Rachna University on 7th October 2024. Both teams demonstrated exceptional knowledge, teamwork, and innovative thinking, earning well-deserved recognition for their efforts.

Team Bright Bytes, comprising **Shreeya Sampada Nayak, Puneet Singh, Sneha Sheoran, Rupesh Sahu, and Bhumik Rawat**, secured the **1st Runner-Up** position for their creative and impactful presentation, showcasing a deep understanding of their subject.

Team Cortex, consisting of **Chetan Chitra, Ayush Khatri, Ayush Kumar, and Avantik Sharma**, earned the **2nd Runner-Up** spot with their excellent presentation skills and technical proficiency.

Congratulations to all the participants for their hard work and dedication, which brought laurels to the institute. We look forward to witnessing more such achievements in the future. Keep shining and inspiring!

Celebrating Literary Excellence

Our recent literary events, featuring Debate, Declamation, Hindi Poetry, and English Poetry, provided students with a platform to showcase creativity, critical thinking, and public speaking skills. The competitions encouraged analytical discussions, expressive oration, and artistic recitations, fostering intellectual and emotional depth.

Participants displayed remarkable enthusiasm, gaining valuable insights from judges' constructive feedback, which helped refine their skills. The audience played a vital role, engaging actively through applause, attentiveness, and Q&A participation, enhancing the overall experience.

The event successfully nurtured confidence, communication, and literary appreciation among students. Moving forward, we aim to refine and expand these opportunities, further enriching the learning experience and inspiring future literary talent.
