Creating Breakthrough Performances

An Initiative by “The Last Centre”

ECHELON

TRANSFORMING THE ENGINEERING EDUCATION

Industry Institute Partnerships
Industry Institute Partnership Cell (IIPC) of Echelon facilitates best career opportunity to the students. IIPC plays an instrumental role in combining the academic power of the institution with the dreams and ambition of its students. It maintains strong industry-institute linkages and endeavour for the overall development & grooming of the students as per industry requirements.
Entrepreneurship Cell
A great idea starts in a great mind. However, the successful execution of this idea takes a lot of people – whereas, managing so many people take just one person – a great Entrepreneur. At E-Cell we search such great mind among our students and nurture & develop the new technical ideas of our young entrepreneur to make it marketable.
Training & Placement Cell

Training and Placement Cell is dedicated towards placement of the students in the organization through campus placement. The Cell counsel students on best career options and provides the latest information on different training & employment opportunities. Guest lectures, industrial visits, workshops etc. are other added provisions for the students.

Placement activities from 2013 to 2106

- Industrial Visit
- Guest Lecture
- Workshop/Seminar/Tech Training

Average and Highest Salary (in LPA) 2016

- Average Salary: 2.4
- Highest Salary: 7.5

### Recruiters’ Feedback

- **Naresh Gupta, Adobe India**
  
  It's my second experience here at Echelon. Faculty members are cooperative. Overall, a great experience!

- **Vishal Gupta, Samsung R&D Institute India**
  
  First, I would like to thank EIT for inviting us for campus recruitment. We liked everything in the campus. We would like to suggest that please send only those students to take part in the process who are competent in that area.

- **Shakshi Taneja, Mahindra Comviva**
  
  It was a wonderful experience with students having great interpersonal skill sets. I wish them goodluck.

- **Mohit Singh Dalal, Genpact**
  
  Students have good potential in them. They have good communication skills. Commendable response of training and placement office. Keep it up!
The Desert Cooler:
The desert cooler is cooler with automatic temperature and humidity control. The cool and humid air from desert cooler is sensed by the sensor, which converts these parameters into digital data.

Plunger Analysis Software (PAS):
Plunger Analysis Software is a single page web application used for optimizing the performance of plunger based artificial lift systems in natural gas production wells. Achievement – 4th Prize at Faridabad Industry Association (FIA)

Colour Sorter Robot:
This project dealt with an automated material handling system. The movement of robotic arm is synchronized to pick the objects moving on a conveyor belt. It aims at classifying the coloured objects which are coming on the conveyor by picking and placing the objects in its respective pre-programmed place.
Alumni Cell
The alumni of any institution are that voice which radiates the virtues of the institution constitutes the primary industrial linkages of the institution and earns reputation that the present and future stakeholders of the institution can be proud of.

Though I got placed in IBM through an off-campus drive, but this college and all my teachers and mentor helped me a lot in achieving my goals. It nurtured my confidence and team work. Echelon provided me opportunities that helped me to develop my interperssonal relationships. Life Skill Communications (LSC) Classes also helped a lot in developing interview and communication skills which eventually enabled me to grab the opportunities.

Kritika Gupta
IBM India Pvt. Ltd

“I can positively say Echelon Institute of technology has made me a better person. It has helped me develop a positive attitude towards my studies and discover more about myself. Teachers are very caring and interested in students’ well-being. They make sure every class is fun, educational and interactive. Along with that goes an increased sense of self-esteem and a feeling of accomplishment and personal satisfaction.”
